HALIBURTON COUNTY ECHO

THE VOICE OF THE HIGHLANDS

10c PER COPY

HALIBURTON — ONTARIO THURSDAY, OCTOBER 10TH, 1968

THIS WEEK'S PRESS RUN — 2305

Established in 1882 as the Minden Echo & Haliburton Recorder

Scout Hall Takes On New Look

As the Cubs and Scouts began their fall meetings in September many changes greeted them in the local Scout Hall at the Dysart Community Centres Park.

During the summer recess this was a busy place! Here Assistant Cub-Master Walter Webb piloted several work groups of interested men in the painting of the outside of the Hall. Inside the ceiling was painted and a new floor laid and refinished.

The Scout Group Committee, under the sponsorship of the Canadian Legion, is grateful to Walter and the men for the time and effort spent in making our Scout Hall more attractive. Also a special thanks to those businessmen who donated the materials to make this all possible; they were Glen Austin Texaco, Black's Hardware, L. M. Moore Esso, Emmerson Lumber and Rae's Hardware.

Advisory Committee Of C.N.I.B. Meet

One of the services provided by C.N.I.B. for our local blind people is the Talking Book Machine backed up by a well-stocked library of taped books. At the Annual Meeting of the Haliburton County Advisory Committee of the C.N.I.B. held recently it was revealed by Mr. C. G. Hilborn, our blind District Field Secretary from Peterborough, that our Haliburton County blind folk use this service more frequently than any others in the Dominion of Canada, according to a recent survey.

Mr. Kilborn also reported that a blind graduate of our local High School, Grant Brooks, is again back at University. A staff of voluntary readers at C.N.I.B. Headquarters prepares taped text books for him and other blind students.

The Annual Meeting of the Committee was presided over by Chairman Archie Stouffer of Minden, with some 12 members present. Miss C. Dawson, travelling blind teacher of Crafts and Braille, was also present, and gave a vivid account of her semi-monthly visits to her blind students in our midst.

A letter was read from the Director of the Training School for Seeing Eye Dogs in New Jersey, which informed us that these dogs are available for the use of qualified Canadian blind people.

The Treasurer, Kenneth Wilson, reported that more than $1,600 was collected in the 1967 campaign for funds.

Officers for 1968-69 are as follows: President - Ronald Barr, Gooderham; 1st Vice President - Rev. R. J. Carder, Haliburton; 2nd Vice President - Ross Harrison, Carnarvon; Secretary - Mrs. Carl Wallace, Eagle Lake; Medical Officer - Dr. Gislasson, Minden; Campaign Chairman - Archie Stouffer, Minden. An Executive Committee of 14 members represents most parts of the County.

The campaign for funds is now underway, and our minimum objective is $1,700. Please give generously when the canvasser calls, or if you are missed send your gift to the Treasurer, Mr. Kenneth Wilson, Bank of Montreal, Haliburton, or to one of the Officers.

Letters To The Editor

Box 287, Haliburton, Ont.
October 8, 1968.

The Editor,
Haliburton County Echo,
Haliburton, Ontario.
Dear Sir:

I am enclosing a copy of the financial report of the Haliburton Highlands Crusade for Christ for the crusade of this year. I trust that it and this explanatory letter can find its way into your pages for the information of your readers.

The Crusade Committee represent most of the churches of our County. In consultation these men invited the Rev. Marney Patterson to our area last June for a ten-day mission. On behalf of the committee I would like to take this opportunity to thank your readers for their co-operation in making our Crusade a success.

My tardiness in getting this report to you is a result, in part, of summer studies and the mail strike. Everything just seemed to bog down. Anyone having any questions regarding the Crusade may address them to me at the above address.

Yours sincerely,

Noel McNeill, Secretary-Treas.
Haliburton Highlands
Crusade for Christ Committee.

FINANCIAL REPORT UP TO SEPTEMBER 30, 1968

Balance from 1967	55.16	
Prayer Share receipts	182.00	*
Full Gospel Lighthouse	50.00	
Minden United Church	75.00	
Carnarvon United Church	25.00	
West Guilford Gospel Chapel	50.00	
North Road Chapel	50.00

TOTAL EXPENDITURES		1,993.82
BALANCE		8.04

* Most Prayer Share Receipts came from members of the three Anglican Churches of the Haliburton Charge and from St. Margaret's in Wilberforce.

† Received through, and counted with, the Service Offerings.

Pictured above is Gary Lee of Tory Hill showing off his 19-pound Lake Trout he caught on June 8 in Redstone Lake. He won the first prize of a Pen Reel and Rod in Bruce's Barber Shop, Haliburton, Fish Contest for the largest Lake Trout. Other large fish caught and entered in the contest was a 10-pound 2-ounce trout caught by Albert Nicholls of Haliburton, while Max Sisson of Haliburton landed an 11-pound 8-ounce fish.

Memorial Service At United Church

Two memorial windows are being dedicated on Sunday morning at the Haliburton United Church.

One "To the Glory of God" is in loving memory of James Roberts, first settler in Harburn and a lay preacher, his wife Hanna Knight, and also their daughter Florence and her husband Joseph Roberts.

The other window is being dedicated as a tribute to William R. Curry and his wife Jessie E. Curry, and their pioneer parents Andrew and Catherine Curry and Peter and Elizabeth Barr.

Scottie LaRue Wins Tourney

Scottie LaRue of Haliburton was the winner of the Match Play Golf Tournament held at the Haliburton Golf Club. Scottie won the tourney and trophy when he defeated Ken Rosenberg on Saturday.

Twenty-four players had entered in the tourney, which started on August 24.

Bill Payne New Kinsmen President

Bill Payne is the new President of the Minden Kinsmen Club. Kinsmen District Eight Governor Ian McLure of Lindsay presented the gavel to the newly elected President at a recent Kinsmen meeting held in Minden.

Winners Of L.O.L. Bingo Jackpot

The winners of the Orange Lodge Bingo Jackpot last Tuesday night were as follows: First Hundred - Helen McCracken; Second Hundred - Arnold Roberts; Third Hundred - Nancy Easton, Lois Whittaker, Marie Jenkins, Flora Walling; Fourth Hundred - Debbie Bates; Fifth Hundred - Mrs. A. H. Curry, Laura Baker, Ethel Brennan, Sandra Whittaker, Mrs. C. Harper, Mrs. Murray Fearrey, Mrs. Judy Thibadeau, Mrs. J. Armstrong, Mrs. Jack Mackay, Dorothie J. Lea.

EMO Rescue Experts Graduate

HALIBURTON (ENS) — Graduates of a rescue course sponsored by the Victoria County Emergency Measures Organization were presented with certificates last Saturday on completion of the course, by Fenelon Township Deputy Reeve Mervyn Moore, Chairman of the EMO Committee.

The 11 successful graduates were Wayne Wood, Cecil Winter, Sidney Roberts, Frank Roberts, Howard Roberts, Ronald Sisson, Mark Schell, Christopher Cowan, Lance Easton, Eldon Cowen and John Brohm. Instructors were Edward Bonser, William and Charles Forrest.

The County's EMO Co-ordinator, James Hall of Lindsay, announced on Saturday that a rescue course will be starting in Minden this week, and a radiological monitoring course for 15 candidates will start in Haliburton on October 26.

While in Haliburton, Committee members toured the recently completed EMO radio installations and the radio building.

A casualty simulation course was held in Lindsay recently, with Harry Hammond of Toronto as the instructor.

Mr. Hall is attempting to arrange for a visit by his committee to the new municipal emergency government headquarters at Kitchener. If the tour can be arranged it will likely take place late this month.

(Peterborough Examiner)

Haliburton County Interim School Organization Comm.

Changes in legislation concerning the administration and operation of schools throughout the Province of Ontario provide for the formation of an Interim School Organization Committee whose responsibility it is to correlate all information pertinent to the present boards and schools and to make any recommendations which they deem may be beneficial to the Board of Education to take office January 1, 1969.

Appointments to the Interim School Organization Committee are made by the various existing boards in the County and by the Ontario Teachers' Federation.

The following persons have been appointed to this committee by their respective boards: Mr. Len Salvatori - Dysart T.S.A.; Mr.

(Continued on Back Page)

What Dysart Council Did

Dysart Council met on Monday morning of this week and were faced with an extra amount of municipal business.

The General Accounts approved amounted to $143,487.92 (this figure is considerably higher than in other months owing to the fact that school costs were included); Road Accounts totalled $16,558.58; and Welfare Accounts amounted to $1,373.69, down somewhat from the previous month.

A request from cottagers on Paddy's Bay on Kennisis Lake to have their road plowed in the winter months in order that they could spend some weekends at their cottages had to be turned down, owing to the fact that the condition of the road would make it impossible for a plow to get in and out during the winter season.

For some time the Council have been endeavouring to have the channels connecting various lakes cleaned out for navigation purposes. William Scott, M.P., has been in touch with the Department of Public Works, and sent Council a letter that he had received from them. From the tone of the letter things do not look too promising in this connection. Council were of the opinion that this would be an ideal year for such a project, owing to the low level of the water.

A letter was received from the Provisional County of Haliburton enquiring what roads in the municipality the Council would like to have incorporated into the County road system. Council are not very keen on going into such a system as they feel that they have the men and machinery to maintain the roads in the Township in good condition. Councillor Bannon thought that such a move might cut our municipal staff drastically, and we would not get the service on our roads that we are getting at present.

The Haliburton Businessmens' Association have been asking the Council to erect street signs in the Village of Haliburton. Council are in favour of such a move, but as it was not provided for in this year's budget the matter will have to wait until next year.

A matter that caused some discussion was the changing of the closing day of the L.C.B.O. Store. As matters stand, the store remains closed on Tuesdays and the businessmen have for some time been expressing the opinion that it would be better to have it closed on Wednesdays and open on Tuesdays. Deputy Reeve Holly Sisson was in favour of recommending that the Store be closed on Mondays, but Council favoured the Wednesday closing, and a motion to the effect was carried with the Deputy Reeve registering a nay vote.

Building Permits issued for the month of September totalled to $111,795.00.

Mr. Christian of the Ontario Department of Provincial Parks and Mr. Knox representing Canadian Mitchell & Associates were on hand to assist the Council in planning for the Glebe Centennial Park, which will be located on 152 acres of property situated along the edge of Head Lake at Haliburton.

The Dysart Council has had an arrangement for the past eight years with the Township of Glamorgan whereby Dysart maintained the Koshlong Lake Road. It would now appear that this arrangement is to be terminated as when Dysart submitted a bill for the sum of $140.00 rendered in this matter, payment was not forthcoming.

When the matter came up regarding the proclaiming of a holiday on November 11, Remembrance Day, Deputy Reeve Holly Sisson said that as this is the 50th Anniversary of the First World War he was wondering if many of our boys and girls knew much about the significance of the occasion. The Deputy Reeve said that the day now was just another holiday, a far cry from the day when our boys and girls were kept in school and at the appointed time observed a two minutes silence in honour of those who paid with their lives in that great conflict. Reeve Roy Brohm said that before the day became known as a holiday the pupils in school marched down to the Cenotaph to pay their tribute, and said that he attended the Remembrance Service in recent years and the number of boys and girls in evidence was mighty small.

Civic Holiday, which has been held for the past few years on the third Monday in September, also came under fire as it is supposed to be a normal school day and when the children do not appear in school hundreds of dollars are lost in attendance grants paid by the Department of Education.

THE GRIGG CO. 5 TO 1.00

THANKSGIVING SPECIALS - Thursday, Friday, Saturday

Monmouth Council

By C. W. RENDALL

The regular meeting of the Monmouth Township Council was held on Monday, October 7, 1968 at 7:30 p.m. in the Township Offices, with all members of the Council present.

The minutes of the previous meeting were passed as read.

The Road Superintendent told the Council that the Burnt River Bridge on the Hadlington Road had been condemned, and that the Engineer for the Department of Highways had suggested that they use three culverts size 7' x 32' in place of the bridge to carry the water. He also stated that the Department of Highways had three culverts of this size which had been used, and that they would sell them to the Township at a reasonable price. Council discussed this question at length, but were of the opinion that these would not be large enough to carry the water in the spring run-off. As the Department of Highways Engineer would be seeing the Council on Tuesday the matter was left in abeyance until this meeting.

The Council discussed the letter of Mr. Tress regarding the road to Little Bear Lake, and as there is a difference of opinion regarding this road they are going to get more particulars before doing anything further in the matter.

The road to Mr. Walter Madill's property has been greatly improved since the last Council meeting, but still needs further work on it. As this is a joint responsibility of Glamorgan and Monmouth Townships they are going to get a guarantee from Glamorgan Township that they will pay their share.

The question of the old-Orange Hall was discussed; the Building Superintendent, Mr. Keith Cameron, stated that this building is a fire hazard and is dangerous. As the ownership is in question the Clerk was instructed to write the Independent Order of Foresters and find out who owns the building. Taxes have not been paid on this for some years and it would appear that the building should be taken over by the Council for back taxes.

Mr. Bruce Gibbs presented a petition to the Council re the Municipal Garage.

The Council set the date for the Court of Revision as Saturday, October 26 at 10 a.m.; the make-up of this Court to be announced later.

The following accounts were passed for payment: Road Accounts $2,752.94, Welfare $110.65 General $323.16.

Council also passed a motion declaring the 11th day of November as a General Holiday; this is the 50th Anniversary of the end of the First World War.

The Clerk was instructed to write the Department of Lands and Forrests and advise them that the Township is purchasing the right-of-way to Little Essex Lake, and will keep them advised re same.

The Council also passed a motion that the Township Dump is to be cleaned up and the road put in proper condition.

The meeting adjourned at 10:20 p.m.

EAGLE LAKE PERSONALS

Congratulations to Mr. and Mrs. Scott Moore (nee Miss Gail Filman), who were married in Haliburton United Church on Saturday, October 5. The young couple will be living in Toronto.

Mr. and Mrs. Jack Powell, Mr. Norman Sanford and Miss Janice Shane of Toronto spent the weekend with the Robert Moore's.

Miss Judy Schwartz of Toronto was a weekend guest of Miss Candy Schroter.

Mr. Ron Shupka of Toronto spent the weekend in the village.

Mr. and Mrs. Harry Hobden and family attended the wedding of Mr. Terry Simms and Miss Linda Stephenson in Curie last Saturday. The newlyweds will live in Winnipeg.

Mrs. A. Hill is home after being a patient in a Toronto hospital.

A speedy recovery to Mr. Everett Upton who is a patient in Lindsay Hospital.

Lucky Winners

Congratulations to Mr. Lorne Dawson of Minden on being the lucky winner of a Painting with Ticket No. 100 and to Mr. J. L. Hughes of Haliburton who won second prize of Pillow Cases with Ticket No. 714. The draw, which was sponsored by the Order of the Eastern Star, was held on Wednesday, September 25.

Buy into Canada.

There are probably as many good reasons for buying Canada Savings Bonds as there are Canadians. There are the hopes, plans and ambitions you have for yourself and your family. There is the desire, which all of us share, to play a part in building the future of our country. The simple, safe, profitable way to help realize these goals is to buy Canada Savings Bonds.

They offer an excellent return. The average yield to maturity is 6.75% a year. There are fourteen annual interest coupons which begin at 5.75% and rise to 7.00% for each of the last nine years. These can be cashed each year as they become due. Better still, if you choose to keep these coupons uncashed, you can earn interest on your interest. Take full advantage of this option and, when your Bonds mature, your total interest-earnings plus your original investment will amount to $250 for each $100 invested.

They are available to everyone. Canada Savings Bonds are available to every Canadian resident in amounts from $50 up to $50,000, for cash or on instalments, wherever you work, bank or invest. Adults, children, businesses and institutions—all may buy them.

They are instant cash. You can cash them any time at any bank in Canada at their full face value *plus* earned interest.

Few investments are so profitable. None builds more surely for the future. Buy into Canada *today*. Buy Canada Savings Bonds. It pays.

It pays.

Have You Visited The Haliburton Museum?

TENDERS

Tenders are invited for the supply of approximately 60,000 Gallons COMMERCIAL FUEL OIL to Hyland Crest Senior Citizen's Home, Minden for the 1968-69 heating season. Please note that service of equipment will **not** be required.

Quotations will be received up to and including October 31, 1968 by:

GREGORY J. WADE, Administrator,
P.O. Box 30,
MINDEN, Ontario.

NOTICE

HALIBURTON COUNTY GUIDES ASSOCIATION

Due to circumstances beyond my control, there will be no meeting this Fall.

Anyone wishing to purchase a Brand Number please write to the Secretary-Treasurer, **Marguerite Scott, Box 420, Haliburton, Ontario** before October 18, 1968.

To pay your Dues please address your letters to **Haliburton County Guides Association, c/o Marquerite Scott.**

Anyone wishing to contact the Secretary-Treasurer please phone **Haliburton 151J after 5 p.m.**

Report of the Ontario Teachers' Federation Committee to Interim School Organization Committee, Haliburton County

FORWARD

Because of the monumental importance of the forthcoming changes in educational structure to the students, to the population at large and to the teachers of Haliburton County, this presentation has been compiled. In order to ensure that our children will receive the best education that we are able to provide, we, the teachers of Haliburton County, suggest that the information on the following pages may well form the nucleus of bigger and better ideas in our constant striving for improvement in the educational field.

This report is intended as a digest of suggestions that is to be backed up by much fuller and detailed explanations later this summer. These suggestions have been thought out by committees on which all of the teachers of Haliburton County have had the opportunity to work if they so wished. The opinions found in this report are based on the work of teachers and principals.

We are extremely happy with the co-operation that has existed to date with I.S.O.C. and look forward to many years of continued close co-operation between Staff and Board. Only through such close and free exchange of ideas will it be possible for the new Board, and its academic staff, to create the optimum learning environment for all of the children of Haliburton County.

We believe that there should be a committee of teachers of the new system set up as an advisory committee to the Board. Its membership should consist of one teacher (not principal or vice-principal) from each Elementary School in the County, and three teachers from the Secondary School. This committee should be given an opportunity early in each school year to meet with the Board and to talk about mutual problems. They would assist the Board in presenting ideas on consolidation of schools, construction of new buildings, administrative difficulties and other matters pertaining to education.

Mr. J. Douglas Hodgson, Chairman of Ontario Teachers' Federation Committee.
Mrs. Celia Brown, Secretary
Mr. Max Archer - Victoria Street Public School, Haliburton
Mrs. Gladys Armstrong - H.H.S.S.
Mr. S. Baker - Lakeview Public School, Haliburton
Mr. A. Brown - Dorset Public School
Mrs. Donald Finlay Jr. - Cardiff Townsite Public School
Mr. M. R. Herlihey - H.H.S.S.
Mr. Charles Hughes - Wilberforce Public School
Mr. Kelvin Jermyn - H.H.S.S.
Mr. Harold Morgan - Minden Public School.

ADMINISTRATION

(1) The Director of Education

The director is to be chief educational officer of the County Board. He would be the only person who would appear regularly before the Board in order to receive instructions on board policy and also to make recommendations on behalf of other people in the system. Notwithstanding the above, any person shall have opportunity to appear before the board. Under the supervision of the director there would be an Assistant Business Administrator who would look after the records, pay the bills, make the grant calculations, etc. Each principal would be under the director and directly responsible to him for the management of the school. The director must also operate through and with the consent of the principals in carrying out board policy. Teachers, caretakers, office secretaries and other personnel in the schools have access to the director only through the principal. The several elementary school principals and the secondary school principal with the superintendent acting as chairman, act as an executive committee to administer the completely integrated educational system of the county.

When the new board has its first meeting on the second Monday in December 1968, its first business should be to make arrangements for advertising for a director and hire him as soon as possible. The success of the system will largely depend on him and it is important that he be invovled in the initial planning and management. An earlier appointment will insure an efficient integration of the systems. Also, the philosophy of the system must be established early before practices have been settled. Teacher hiring should be supervised by the director since good teachers will not enter a system with the possibility of later changes when a director is appointed.

(2) Subject Coordinators

Subject coordinators should be appointed by the board in order to integrate programmes and methods between elementary and secondary schools. There should be a subject council for each subject that is taught in all schools. It would consist of all teachers concerned and the coordinator would act as chairman at meetings. Expenses to teachers will be paid by the board. Meetings should not be called more often than once a month and commence during school hours and continue not later than 5:00 p.m.

These committees in addition to planning an integrated curriculum should select text books and discuss general subject ideas. For example, commercial teachers of secondary school are concerned that students not be allowed to write with a backhand slant because it adversely affects the writing of shorthand. A liason among schools could remedy such a situation. These committees have only an advisory role; decision making remains the prerogative of the director who shall act on committee reports.

3) Guidance, Library, Audiovisual Services and Psychological

(a) Library. There should be a county librarian for all schools who would work out of the board office. His duties should consist of setting up the library system in all schools and coordinating efforts of all librarians. There should be one full-time librarian in schools for every three hundred students of enrolment. Librarians should also have secretarial assistance.

(b) Guidance. There should be a coordinator of guidance for the county, and he should set up the guidance programme in all schools. Both the coordinators of library and guidance services should be directly responsible to the director and work through the principals of the various schools with the library and guidance staffs in them.

(c) Audio-visual. There should be an audio-visual expert working under the county librarian from board offices who would be in charge of equipment, repair broken machines, and make and deliver video tapes, projectors, etc. to several schools. Each school should build up its own stock of equipment. He shall provide all teachers with an inventory of all equipment in system.

(d) Psychological. There is a great need for expert assistance for children with emotional handicaps and other mental disorders. The county should either have the Department of Education provide psychological services or contract for help from a neighbouring county system. Teaching staff must have an in-service programme in recognizing these problems before referral can be made. This need is urgent because of the increasing number of problem students in our system.

(4) Budget

The principal of each school would be required to present to the superintendent in January a budget for the coming year. The superintendent and the principals would then review the proposals for each school, and then the superintendent would present the revised figures to the board for the whole educational system.

(5) Recruitment of Teachers

There should be a committee consisting of board members, the superintendent and the principals for the various schools to decide on what staff is needed, to do the advertising, interview applicants, and to hire personnel. The principals of schools should have a final voice in the recruiting of staff for their schools.

(6) Student Insurance

In order that all students have a minimum coverage, the board should consider paying for the dollar policy on every student in the system. If parents want more coverage, then they would have the opportunity to pay the additional premium.

(7) Use of Schools by Outside Organizations

The board should set up policies regarding rental of facilities and no rentals should be made until the principal of the school concerned is consulted as to whether it conflicts with school programmes.

(8) Plans for New Schools and Additions

Teachers believe that buildings should not be planned until decisions as to school programme have been made. Build facilities for specific purposes. Teachers, being the experts, should be used in an advisory capacity in the planning of schools.

SUPERVISION OF TEACHERS

(a) Rating of Teachers:

There should be a written rating on file in the director's office on every teacher of the system. Rating should be made on all new teachers to system and every two years thereafter. Any rating should be made by three people, not one: perhaps the director, the principal, the subject consultant and/or department head. The teachers should be informed of his rating before any report is given to anyone. The teachers should be permitted, before that report is given to anyone, to ask for an inspector from the Department of Education or other source to evaluate his work. All ratings should be in writing and only what is on paper should be given to anyone. Any teacher who is going to be dismissed should be notified by March 1 in any year.

(b) Contracts

New contracts should be provided each year, as early as possible with the salaries for that year upon them.

(c) Salaries

They should be equal in elementary and secondary schools, regardless of grade taught. In other words equal qualifications, equal salary.

(d) Fringe Benefits

Cumulative Sick Leave and severance provisions should be continued. It is recommended that the Board consider paying part of the O.H.S.C. and P.S.I.

(e) School Hours

Teachers should not be required to be in school any time additional to that demanded by Provincial Regulations.

(f) Class Size

No school should have an average class size of greater than twenty-five pupils.

PROFESSIONAL DEVELOPMENT

With the setting up of county boards and the consequent decentralization of authority from the Department of Education to county educational leaders, there is a danger of the system becoming narrow in outlook and philosophy; therefore, there needs to be greater emphasis or contact through visitations and other means with other systems and schools. Also there should be a good library of books on professional subjects within the county. Therefore, it is necessary that there be a special budget for these expenses.

SCHOOL PROGRAMME

(1) Special Education

The ideal situation would have special educational opportunities for both extremes, the gifted and slow learners. There should be junior and intermediate "Opportunity Classes" and Service Courses at the secondary level. The Occupational Programme would continue for those with more ability than Service Course students.

(2) The Elementary Field

Industrial Arts and Home Economics should be taught to Grade 7 and 8.

(Continued on Page Four)

SUGAR AND SPICE

by Bill Smiley

DO WE REALLY NEED IT?

Many people have a peculiar idea of "progress". They confuse it with growth or with change or with size. In many cases, these things represent regress, rather than progress.

I try not to be bitter, but I have a perfect example of that kind of progress right outside my front door. When we moved here, it was to a quiet residential street, a leafy tunnel of voluptuous maples and stately oaks, with a green boulevard.

It was gentle and pleasant and safe for children. The town council, in the name of progress, tore out the boulevard, cut down some trees and widened the street.

Results? We now have a speedway out front, and you can scarcely risk crossing the street to the mailbox. The squeal of tires makes the night hideous, as the punks try their spurs. The remaining trees are dying because their natural environment has been disturbed. Much beauty lost, and the only ugly things, hydro and telephone poles, left standing in their nakedness.

Just to complete the picture, there has been a "development", which is automatically "progress" in many minds, at the end of our street. What was once glorious bushland is now a desert of asphalt, containing a supermarket, two gas stations and a Provincial Police barracks.

Because of the development, traffic on our street has quintupled, and every quarter-hour an ancient, snarling bus, belching poison, goes by the front door.

Tough luck, you say. But I've seen it happen so often in handsome old streets in small towns that it makes me sick. The first move of the progress-happy boys is usually to cut down the trees, some of them 100 years old, so that they can widen the road. Grace and shade and dignity are sacrificed to the automobile.

In the cities, it's even worse. Potential park lots are turned into immediate parking lots. Thruways slaughter miles of greenery.

Another plague are the "developers". They take a section of beautiful bushland, fertile farmland or lush fruitland. They send their bulldozers in to make sure everything remotely pretty is made ugly. Then they carve it into 50-foot lots and stick in the jerry-built houses, cheek-by-jowl, at swollen prices. This is when Canada has more land that is useless for anything else but building than it can ever use.

Oh, progress has many faces.

It has many sounds. Far below the whoosh of the billion-dollar rocket may be heard the whimper of a starving child.

It has many smells. Behind the sweet emissions of the Public Relations Dept. can be discerned the unmistakeable stench of greed, poverty, pollution and waste.

Progress will take a beautiful trout stream and poison it with chemicals or detergents because, "We need the industry".

Progress steadily takes more money for "defence", another phoney word, and less and less, comparatively, for the old, the sick and the helpless.

Progress adopts a liberal attitude toward drugs, but looks down its nose at the dirty, hungry, sick and frightened children of the drug age.

Progress means bigger cars that will go faster on better roads, driven by people who can drink more.

Progress taxes everything but the living breath of the poor, but encourages the boys with the expense accounts and credit cards to cheat.

This may seem like a pretty dim view of "progress". It is, as many people look on it. But I'm not down on the real meaning of the word. I think man can and will progress morally, socially and intellectually.

Oh, well, there's a rumour that the can people are going to start putting their cans out in pastel colours. This would save a lot of bother. We could cut all our forests down. Then, instead of going for a drive on a fall day to see the magnificent autumn foliage, we could have it all year 'round. Mountains of multi-coloured beer cans.

Teachers' Report

(Continued from Page Three)

(3) The Secondary Field

School programme should be based on needs and desires of students.

(a) The introduction of Four Year Arts and Science Programme. It is needed for students who lack skill and interest for Four Year Business and Commerce and Four Year Science, Technology and Trades.

(b) Art should be introduced if Grade 8 students show a need.

(c) Rapid calculation and Data Processing should be incorporated in Four Year Business and Commerce course.

CONCLUSION

It will be very easy to fall into the error of assuming that because our present buildings exist each with its own particular sphere and function, that we should continue to use them in the same way. We suggest that serious examination of the existing facilities and the uses to which they are put be made with a view to establishing the wisdom of a different arrangement of groupings of grades and that, despite the existing buildings and facilities, we not overlook the possible advantages of new consolidations.

In any examination of facilities, transportation routes or programme we suggest that the most important thing to keep in mind is how these will effect students.

We are not suggesting that this interim study has been exhaustive, nor are our suggestions for the administrative organization complete. But we do believe that the basic theme underlying our suggestions (i.e. that the administrative structure be directly related to a maximum number of persons involved) will make for a sound, unified and effective organization. We would wish to caution those involved in making the decisions that they should not use ready made solutions which have been devised by some other area, to suit particular conditions of the Haliburton County Area and therefore finally to come up with a structural approach that will assist in attaining the aims and objectives established by the board in and for Haliburton County.

Haliburton Highlands Secondary School

1968-69 Night School Classes

It is proposed that night school begin on Tuesday, October 15th and continue until Tuesday, December 3rd, and then begin again on January 7th and continue until Tuesday, March 11th.

Each student may enrol for the entire 18 nights: if they enrol for only the first eight (8) nights, the fee will be $3.00; and if they enrol for the entire eighteen (18) nights, the fee will be $5.00. Our reason for having more nights than formerly is to enable students to really make a worthwhile achievement in the various subjects, e.g., typewriting students would be able to arrive at a reasonable competence in that time.

Our night programme will run from 8:00 to 10:00 p.m.

Persons interested must send in applications before October 11th and if there are not enough registering for a course it will be cancelled. It is necessary to know by that date whether there will be a class or not in order that the instructor may make preparations.

It is important that persons signing for a course be serious about attending classes. If people sign up and only come for a few nights, it is discouraging for teachers. Some good instructors have refused to take classes because absenteeism among students in other years has caused them to feel incompetent.

CLASSES ARE:

Chemistry - Grade 12 level.
This course will cover as much of the Grade 12 programme as possible. It may take students two years to cover the regular programme. When it has been achieved a diploma credit will be granted.

Conversational French - Mr. P. Chevrier, the teacher, would like all students to have at least two years of French instruction before enrolling. This restriction is to allow students of last year to go on from where they left off.

Creative Writing - Writing For Money.
How to write what editors will buy: stories, articles, plays and verse, for radio, T.V., theatre and the press.
Conducted by Mr. H. J. Armstrong.

Current Affairs and Civics - This course is designed for adults who would like to associate with other adults interested in discussing current topics such as local municipal affairs and education, population explosion and birth control and topical films, etc. — Mr. N. McNeill.

Machine Shop - If a class turns up for Machine Shop we would attempt to cover the Grade 12 programme and give students credit after a number of years instruction, depending upon the progress of the class.

Sewing - Mrs. Carol Duncan.
Plan to do lace work for Christmas in Fall session.

Typewriting

Weaving

Woodworking - Mr. Paul Muller, the teacher, will allow each person to do his own project.

APPLICATION

I wish to apply for the following course:

First Choice .....

Second Choice .....

Name ..... Telephone No. .....

Address .....

Send applications to:
The Principal, Haliburton Highlands Secondary School, Box 507, Haliburton, Ontario.

My Saviour

While sitting alone one evening
With my Bible in front of me,
I turned the pages to Matthew
And then I began to read.

It told of a Heavenly Father
Who sent His only Son,
Down from His home in Heaven
To be with everyone.

And as I read on further
To the place where they crucified Him,
I knew then and there He had to die
To take away my sin.

Then I knelt in prayer to my Father
And thanked Him with all my heart,
For sending His Son from Heaven
To save me and all mankind.

Now I have given my life to Jesus
This wonderful Saviour of mine;
And I am ever thanking Him,
This wonderful friend divine.

So, if you are even lonely
And you have a book like mine,
Just turn the pages to Matthew
And learn of this friend of mine.

And I know when you are finished
Reading the pages one by one,
You too will learn the message
Of my Saviour's undying love.

Elsie Sibley.

RED CROSS
Your help does so much
for so many

MINDEN

Recent guests with the Harold Deacon's included Mr. and Mrs. Gilbert Rodgers of Cambray, Mr. and Mrs. Douglas McEachern, Ralph and Marie of Grasshill, and Susan McFadyen of Hartley.

At the L.O.B.A. Card Party last Monday the winners were: highs - Erastus Robertson and Mrs. B. J. Walker; lone hand - Mrs. F. Wright, on a cut of cards. A delicious lunch and a social half hour brought the evening to a close.

Mrs. V. Cowan and Mrs. M. Sears enjoyed a visit with the Pleasant Valley Women's Institute last Thursday at the home of Mrs. Stanley Lee.

Congratulations to the newlyweds Mr. and Mrs. Thomas F. Bagshaw (nee Marilynn Harrison) who were married last Saturday.

Mrs. Lyman Cox was the driver when 10 members of the Minden Women's Institute attended the 60th Anniversary of the Burnt River Women's Institute last Tuesday evening.

St. Paul's Anglican Church, in keeping with the season, enjoyed a Service of Thanksgiving last Sunday. The Church was tastefully decorated and a large crowd of worshippers were present.

Sorry to report the accidental death of Mrs. Gail Lyons, daughter of Mr. adn Mrs. Bill Gartshore, and also the death of Mr. Andrew S. Kernohan. Sincere sympathy to these families.

It will be pleasant to have the Oasis Restaurant open again under the management of Dot and Ron Robinson. May they have every success in this business.

This is Fire Safety Week, so everyone should take care and check all wiring and try to have a fire extinguisher handy. Even a little fire can be disastrous, so be sure all the people get out before the possessions are taken out.

Mr. Gordon Murchison of Waterloo, while taking a course at the Forest Rangers' School at Dorset, visited the Milton Sears'.

Weekend guests with Mr. and Mrs. Mark Vasey were Mr. and Mrs. Hugh Vasey of Cooksville.

Mr. and Mrs. Terry O'Neil of Cooksville spent the weekend with his parents, Mr. and Mrs. Mike O'Neil.

Rev. Noel McNeill is the guest speaker at the North Road Chapel during the month of October.

Sunday guests with the Mark Vasey's included Mr. and Mrs. Cliff Swinson and Mr. and Mrs. Don Swinson and Margaret, all of Midland.

If you're planning to modernize your home, here's the place to begin.

Modernizing your home can be a delightful experience. Home improvements can do a lot to help make your way of living better than ever. But before you start to modernize, you should take care of one thing first: your household wiring.

If you begin your modernization programme by re-wiring, almost everything about your home will suddenly seem better. You'll have all the electrical outlets you need. Your appliances will perform better, and you can add all the new ones you're ever likely to need without the annoyance of overloaded circuits or blown fuses. Re-wiring will let you take advantage of the new ideas in household lighting. With decorative exterior lighting you'll be able to enjoy patio living on pleasant summer evenings. You will, in fact, be opening the doors to the joys of all-electric living, including the quiet comfort of electric heating. Start modernizing your home by re-wiring.

THE HYDRO FINANCE PLAN will let you re-wire your home right now. Call a qualified electrical contractor for details, or ask your Hydro.

CHURCH NEWS

LINDSAY PRESBYTERIAL U.C.W. RALLY, REGION 6

The Rally of Region 6 of the Lindsay Presbyterial U.C.W. was held in Lochlin United Church on Thursday, September 26, 1968, with Mrs. John Noble of Tory Hill presiding.

The opening Hymn was No. 16, with prayer by Mrs. Noble. The address of welcome was given by Rev. Ronald McCaw, Minister of the Lochlin Church.

The Worship Service was given by Carnarvon U.C.W.; the theme being "The Abundant Life". The Meditation was given by Mrs. E. Ralph. The abundant life starts now. Do away with pettiness. Do something good for someone every day. Practice gratitude to God and Man. Mrs. H. Burton read the Scripture, and Mrs. M. Brown offered prayer.

A beautiful "In Memoriam" Service was conducted by Mrs. Ronald McCaw and Mrs. J. Casey of Haliburton.

Mrs. J. Brooking of Tory Hill read the minutes of the last Rally. The Roll Call was read, with delegates from Carnarvon, Gooderham, Haliburton, Highland Grove, Ingoldsby, Lochlin, Maple Lake, Minden, Tory Hill and Wilberforce being in attendance. There were also 14 members from the Lindsay Presbyterial U.C.W. Executive present, which made a total attendance of 75.

Miss Olive Geach of Lindsay Cambridge Street Church introduced the guest speaker for the Rally who was Mrs. Franklin Robinson, President of Lindsay Cambridge Street U.C.W., and who is on the Pastoral Relations Committee of Lindsay Presbytery and also on the Settlement Committee of the Bay of Quinte Conference.

Mrs. Robinson spoke on the "Life of the Church", using a poster to show the different courts of the Church. She said the Church is a whole company of God's believing people. She also said that the "lay" representation and attendance is not good enough and that she also feels that young men and women should be willing to serve on Presbytery committees. Speaking of the Unified Budget, she thought if we truly realized the great need we would ask to give more, not less. Speaking of our U.C.W. she asked, "Does our U.C.W. equip people to reach out and follow the Jesus way?" If not, we are no different from any other organization outside the Church.

Mrs. Gordon Barr of Gooderham graciously thanked Mrs. Robinson for her splendid address.

The Presbyterial Literature Secretary, Mrs. Harry Phoenix of Greenbank, opened her remarks with "Books are a source of subtle delight", and gave a resume of resource books on Bible Study, Devotions, Stewardship, and introduced the Study Pocket of our new study on China which appears very adequate.

Mrs. Deane Wellman, in a very interesting manner, spoke on "Programmes", as she is the Presbyterial Programme Chairman. She gave us an insight of a wealth of resources — film strips, tape-recordings, skits, etc. She said programming is everything we do! We must learn to evaluate each meeting, and we should show concern for people in our programmes and strive for every member's participation.

Hymn 530 was then sung and the Grace was read in unison.

A delicious luncheon was then served in the attractive, renovated basement of the Church.

During the lunch hour the Literature Table was visited.

The afternoon session was opened at 1:30 p.m. with a hymn sing led by Mrs. Lorne Coburn of Minden, followed by prayer by the Wilberforce U.C.W.

Miss Frances Nancekievill, Presbyterial Secretary of Supply and Welfare, gave her report, giving us suggestions of services we could render to those needing our help — at home and abroad. We should still save used nylons. Send your money for Blanket Fund and Express Charges to: Mr. D. Borgal, United Church Treasurer, 85 St. Clair East, Toronto.

Mrs. Edmund Ruth, Past President of Lindsay Presbyterial U.C.W., spoke words of appreciation to the Lochlin ladies for their splendid Rally, and spoke about "Every Member Visitation" which our Church is stressing. Wives could accompany husbands in this programme and help revitalize the Church!

Mrs. G. H. Palmer, President of Lindsay Presbyterial U.C.W., brought greetings and announced that the Presbyterial Executive Meeting is to be held at Fenelon Falls United Church on October 21 at 10 a.m. — bring a box lunch. Local U.C.W. Presidents are invited to attend.

The 2nd Vice President, Mrs. Allen Bursey of Minden, and 3rd Vice President, Mrs. A. Gillis of Cameron, spoke briefly.

Mrs. Walter Russell of Argyle, Presbyterial Recording Secretary, asked for our co-operation in making out our annual reports on time and in full.

Miss Olive Geach, Presbyterial Corresponding Secretary, spoke in appreciation of the Lochlin United Church Women and their hospitality, and announced that a Dessert Tea will be held at the Cambridge Street Church on October 15 at 7:30 p.m.

Mrs. John Coburn, Presbyterial Treasurer, reported that money had been coming in for Unified Budget on schedule.

Mrs. G. Barr of Gooderham, Community Friendship Secretary, asked for reports at the end of the year telling of our activities in this department.

Mrs. B. Roeske of R.R. 2, Burnt River, Presbyterial Chairman for Stewardship and Recruiting and Christian and Missionary Education, gave a splendid talk on Stewardship with the theme being "Conscience, Compassion, Commitment and Confrontation". She closed with a moving poem, "Think, brother, which side are you on". This had been flashed on the screen at the General Council to which she attended as a Commissioner representing the Lindsay Presbytery.

Mrs. Roy Hopkins, Presbyterial Leadership Development Chairman, spoke briefly about the Workshops held this year.

Mrs. Richard Westaway, Chairman of Nominations, asked for assistance in filling three vacancies on the Presbyterial Executive, namely: Literature, Supply and Welfare, and Leadership Development.

The offering was then received and dedicated by the Maple Lake ladies.

The Rally for next year is to be held at Minden.

A beautiful vocal duet, "How Great Thou Art", was then sung by two Lochlin ladies.

The closing Hymn was No. 261, after which the Courtesy Report and the Benediction were read in unison.

Everybody talks about the weather...

We do something about it!

It stands to reason that because winter conditions vary from place to place, one kind of home heat oil just isn't suitable for everywhere.

Texaco knows this. That's why Texaco heating oil is 'climate controlled' for our locality.

Moreover, our complete Texaco Home Heat Service, including 'climate controlled' oil, doesn't cost a penny more. See us for full details.

MONMOUTH NEWS NOTES

By C. W. RENDALL

This all started about a week or so ago when Victor Korolkow came into see us and invited us to his birthday party for the following Saturday (September 28). As he put it, his 34th birthday, but he must be like Jack Benny and never gets any older. So on Saturday last we turned up at his cottage right after supper, as he had said, but we were the first to arrive and the preparations were in high gear. The cottage was gaily decorated with coloured lights and some of his trophies on the wall: two deer skins and a beautiful head with antlers. A lovely buffet supper was set out on a long table, and they needed a long table to hold all the food that was spread out — I will tell you more about this later; if I told you now you would not be able to finish reading this because your mouth would water so the paper would be so wet as to be illegible. Soon after we arrived the guests started to come in and amongst the people present were Mr. and Mrs. Geo. Krause, Mr. and Mrs. Art Saunders, Mr. and Mrs. H. W. Scheibe, Mr. Joe Dietrich, Mr. Geo. Earle and his friend Cleo, Mr. and Mrs. Lawrence Klinkenburger, and Mr. and Mrs. Meeke. Several others were expected, but owing to various reasons were unable to make it. Altogether a good crowd, and the music was provided by stereo and the dancing got underway; Victor proved an excellent host and provided some liquid refreshment. After some dancing the guests began to get hungry, and we proceeded to the table to get some food. Now, I am not too good describing all the delicious food which had been prepared by Mrs. Polly Korolkow, but it must have taken a lot of preparation; there was delicious fried chicken, two or three different salads, appetizers, cabbage rolls, olives and cakes of various kinds, and I can assure you that full advantage was taken of all the good things on the tables. The dancing continued all of the evening, and some of the guests were very fine dancers and gave quite a display. Altogether a very enjoyable evening; it was about 2 a.m. when I decided I had had enough exercise and food and left for home. Surely one of the nicest birthday parties I have attended.

On Thursday, with the weather being good, we decided to make a trip into Bancroft, and started off. We thought we would go in through Harcourt, Highland Grove and the Railway Track Road; the road was in good shape and in places where the rain had washed the road out they had already filled in the bad spots, and the grader was on the job fixing up the road. As we drove along we paused continually to look at the colour, and this alone made the trip worthwhile. We stopped off to see Mr. Ivan Fowler and had a nice talk with him, and then went on to Bancroft. As it was by this time near our lunch hour we decided to eat in the Town, after which we went to visit the Woollen Mills which we had heard quite a lot about. Unfortunately the mill was not working this day, but we did acquainted with Mr. Jack Smith, the owner and manager, and was surprised to learn that I had met him years ago in Toronto. After I had purchased a lovely blanket and the wife some wool for a sweater, we started for home and came back via Highway 28 and 121, and once again we looked at and enjoyed the lovely colour of the trees. This trip is well worth taking if only for the purpose of seeing the colour which is now almost at its best.

This Friday some of the pupils of the Wilberforce Public School are taking a weekend trip to Niagara Falls. I understand they are away until Monday, during which time they will visit the U.S.A.; surely a good way to encourage good feelings with our neighbours to the south. We hope they have a good trip and will come back with a better knowledge of our country.

ANNOUNCEMENT

A Wedding Dance will be held in honour of Mr. and Mrs. Ivan Bain, son of Mr. and Mrs. Wilbert Bain, in the Royal Canadian Legion in Haliburton on Saturday, October 12, 1968, at 9 p.m. Everyone welcome.

Card of Thanks

I would like to thank my friends and neighbours for their cards and inquiries during my illness. Special thanks to the Doctors, Nurses and Staff of the Minden Hospital for their kindnesses.

Jim Wruth.

IN MEMORIAM

MAGUIRE — In loving memory of our dear Mother, who passed away September 14, 1963; and Father, who passed away October 14, 1959.

God knew that they were suffering
That the hills were hard to climb,
So He closed their weary eyelids
And whispered "Peace be thine";
Away in the beautiful hills of God
By the valley of rest so fair,
Someday, we know not when,
We will meet our loved ones there.

—Always remembered and sadly missed by Daughters Audrey and Lovina.

STAMP — In loving memory of a dear Father and Grandfather, Fred Arnold Stamp, who passed away October 15, 1963.

There is someone who misses you sadly
And finds the time long since you went,
There is someone who thinks of you always
And tries to be brave and content.
Gone is the face we loved so dear,
Silent the voice we loved to hear;
T'is sad, but true, we wonder why,
The best are always the first to die.

—Sadly missed and deeply loved by Son Arnold, Shirley and Family.

STAMP — In loving memory of my dear Mother, Ethel Louise, who passed away October 12, 1963.

Please God, forgive a silent tear,
A fervent wish my Mom was here;
There are others, yes I know,
But she was mine, I loved her so.
Dear God, please take a message
To my Mother in heaven above,
Tell her how much I miss her
And give her all my love.

—Too dearly loved to be forgotten by Son Glen.

CARNARVON

Mr. and Mrs. Hal Burton are away on a vacation. They will visit with the Roger Harrison's in Burlington and the Murray Burton's in Brockville. Hal is also doing some duck hunting around Wabashene.

Mr. and Mrs. Alex Hewitt are driving a nice new car.

Mrs. Hartley Newell of Gelert called on her Mother, Mrs. Arch McKay, on Wednesday for the day.

Mr. and Mrs. Bud Thomas and Donna were weekend guests of Mr. and Mrs. LaVerne Thomas and family in Peterborough.

The community was deeply shocked last Thursday to learn of the death by a car accident of Mrs. Gail Lyons, only daughter of Mr. and Mrs. Wm. Gartshore of Hall's Lake. Burial was at St. Stephen's Church on Saturday, just three short months after their wedding there. The sympathy and prayers go out to the family at their tragic loss. At the time of writing Mrs. Lyons is still on the critical list after surgery.

Mr. Kenneth McKay of Toronto was home for the weekend. Other visitors of the Max McKay's on Sunday were Mr. and Mrs. David Brown of Hamilton.

Other travelling neighbours back home are Mr. and Mrs. M. B. Windsor from the West Coast, Mr. and Mrs. Cecil Irwin from Newfoundland, and Mr. Gordon Allcorn from Yellowknife and points in the far north.

Spending the weekend with Mr. Cliff Harrison were Mr. and Mrs. Brian Abbs and family, and Mr. Phil Starr of Toronto.

Mr. and Mrs. Thomas Straiton of Vancouver, B.C. visited with their cousins, Mr. and Mrs. John Harrison, last week. Other guests of the Harrison's were Mr. and Mrs. T. F. Allen of Dundas.

Mrs. Sinclair Russell is visiting in Toronto with Mr. and Mrs. Bill Gaskey and family.

A correction from last week's news: Mr. and Mrs. Norm Wallace are on a travelling holiday to the West Coast.

Bell Canada To Increase Call Carrying Capacity

Underway since last November, the final phase of a $3½ million program to increase the call carrying capacity of the Toronto toll-switching system will cause some delays in Long Distance calling in and out of Ontario centres over the next several weeks.

A Bell Canada spokesman said today the Company had no alternative but to reduce the load-carrying ability of the Long Distance switching equipment while the final extensive change-over and enlargement of the telephone network distribution system is carried out. In principle, the communications highway expansion program could be compared to a road widening project where certain traffic lanes are temporarily closed during the construction period, he stated.

In order to make the changes with the minimum of interruption to the normal flow of Long Distance traffic, the program is being carried out in two major stages starting over two weekends this month when the traffic load, particularly business, is greatly reduced. The first stage which will affect the Long Distance calling pattern between Trans-Canada points, the United States and the Montreal Region, took place starting last weekend, October 4. The second stage, which will affect the Long Distance calling pattern between a number of Ontario centres and some U.S. points will take place starting the weekend of October 18.

MAPLE LAKE

(Intended for Last Week)

Mr. Napier Simpson was to his farm on the weekend.

Mrs. S. Dawson reports that Stewart came through the operation fine, and is doing splendid. Good luck, Stewart.

Mr. Reg Cook is now home from Sunnybrook Hospital in Toronto, and is greatly improved.

Don't forget the Turkey Supper in your community, as St. Peter's would be happy to serve you at their annual supper on Saturday, October 12.

Mr. and Mrs. Cecil Hackett and grandchildren of Stayner were to Whipporwill Hill over the week-end.

A poor crop of potatoes are reported in our community.

Mr. and Mrs. Irie Barry accompanied Mr. and Mrs. Jim Harrison and Michele on a trip to Seven Sisters Falls, Manitoba where they spent an enjoyable week with their Uncle and Aunt, Mr. and Mrs. Alvin Harrison. While there Irie spent a day with a cousin, Arnold Barry, the son of Mr. and Mrs. Grant Barry of Cannington, whom he hadn't seen for over 20 years. They met two of their cousins for the first time, Alvin Harrison who lives in Winnipeg and Mrs. Eddie Bus of Seven Sisters Falls.

District Governor Visits Local Club

The Rotary Club of Haliburton had the honour on Thursday night, September 26, of welcoming Mr. Ken Curtis, District Governor, who was paying his annual visit to the Club.

In his opening remarks he praised the local Rotary Club in their splendid attendance record and complimented the Club on the many projects they have completed.

He spoke on this year's Rotary Theme "Participate", and he stressed the fact that to be a good Rotarian one must participate in the spirt and program of Rotary. The members were reminded to publicize their goals and achievements, and also to remember that Rotary demands good attendance.

The District Governor stated that Rotary can help the youth of today to find themselves through Community Service.

During the meeting Dr. Christiansen was inducted into the Club as its newest member.

GOODERHAM NEWS NOTES

Mr. and Mrs. Len Milburn had the misfortune to have their home struck by lightning last week. However, although considerable damage was done no fire resulted.

The U.C.W. met at the home of Mrs. Allen Madill. After the Call to Worship and opening prayer a Hymn Sing was enjoyed. The theme of the meeting was "Thanksgiving". The Scripture was read by Mrs. Madill, taken from Esther Chapter 3. Mrs. Burritt gave a very fine Meditation on "Giving Thanks". The Roll Call was answered by a verse or poem of "Thanks". Mrs. Billings conducted a Bible quiz on the Book of Esther. The President extended a very warm welcome to Mrs. Watson, wife of the United Church Minister. Mrs. G. Barr reported on a very fine Regional Rally held at Lochlin, and also a visit to an old friend, Mrs. Walker, at a Toronto nursing home where she is recuperating from a stroke. It was decided to put on a Hunters' Turkey Supper during the first week of hunting season. The meeting was closed with prayer by Mrs. Billings, and a tasty lunch was served by Mrs. Madill.

On Friday evening Mr. Harold Dobson, Orange Insurance representative, showed movies of the Centennial Orange Parade held in Ottawa, in the Orange Hall. At intermission Mr. Theo. Peacock delighted the audience with some of his poetry.

Weekend visitors in the village included Mrs. Margaret Bewley, Elizabeth and Jan of Willowdale, Mrs. Helen McMullen of Scarborough, Mrs. Lorna James of Brisbane, Australia, and Mrs. Lynn Barber of Brisbane, Australia.

Mr. and Mrs. Thos. McColl spent the weekend with members of their family in Caesarea and Oshawa.

Miss Christena Pickens is attending Shaw's Business College in Toronto. We wish her every success.

A number from here attended the World Wide Communion Service held in the Wilberforce United Church on Sunday morning, conducted by Rev. Douglas Roblin of Emanuel College, University of Toronto, and assisted by Mr. David Watson, student minister of the Tory Hill Charge.

Sorry to learn that Mrs. Hubert Alsop is suffering from an attack of the flu.

Mr. David Watson had the misfortune to be in a car accident, seriously injuring his shoulder.

HALIBURTON

Mrs. A. G. Brooks is in hopes of getting out of the hospital in Barrie on Friday, October 11, after an attaek of pneumonia.

Haliburton Highlands Chamber Of Commerce Incorporated

(HALIBURTON HIGHLANDS REGIONAL TOURIST COUNCIL)

Financial Statement

MARCH 31, 1968

To the Members,
Haliburton Highlands Chamber of Commerce Incorporated,
(Haliburton Highlands Regional Tourist Council),
MINDEN, Ontario.

I have examined the books and records of Haliburton Highlands Chamber of Commerce Incorporated (Haliburton Highlands Regional Tourist Council) for the year ended March 31, 1968 and have obtained all of the information and explanations I have required.

I report that, in my opinion, the accompanying statement of receipts and disbursements fairly presents the results of operations of Haliburton Highlands Chamber of Commerce Incorporated (Haliburton Highlands Regional Tourist Council) for the year according to the best of the information and explanations given to me and as shown by the books.

GERALD M. DAWSON
Chartered Accountant,
Auditor.

HALIBURTON, Ontario,
June 4, 1968.

Interim School Organization

(Continued from Page One)

H. Radford - Bicroft T.S.A.; Mr. Gord Sharpless - Minden T.S.A.; Mrs. Goldie Watson - North Hastings High School for Cardiff Township; Mr. Murray Agnew - Monmouth-Glamorgan T.S.A.; Mr. Lenly Barry - Sherbourne-Ridout T.S.A.; Mr. Harold Herlihey - Haliburton County District High School Board; Mr. T. E. Deterling - Monmouth Retarded Children's Education Authority; Mr. J. Douglas Hodgson - Ontario Teachers' Federation.

The initial meeting of this committee was held on Thursday, February 22, 1968 under the chairmanship of Mr. Ralph W. Froats, Regional Superintendent, Eastern Area, Ontario Department of Education. Mr. Len Salvatori was elected by the committee members as Chairman of the Committee, and Mr. Gerald M. Dawson was appointed Secretary to the Committee. Further meetings of this committee have been held on April 25 and on September 4.

A public meeting is being sponsored by this committee on Thursday, October 17, 1968 at 8:00 p.m. at the Haliburton Highlands Secondary School, at which the Superintendents of education for this area will speak and be available to answer questions.

Letters to Editor

R.R. 1, Haliburton, Ont.
October 6, 1968.

The Editor,
Haliburton County Echo,
Haliburton, Ontario.
Dear Mr. Feir:

Allow me space to appeal to the people that bought the Drug Store to please at least open the doors for the people to get their pictures that were left for developing. One party has films in there going on five weeks now at a value of $25.00 worth, and I have movie film there also and I sure would like to get them.

No one seems to know what the closing of the store is all about, and everyone you ask has a different story. But surely something could be arranged by either the Nicols or the purchasers to let the people get their pictures.

Thank you,
Mrs. Elizabeth Nunn.

Islington, Ontario.
October 7, 1968.

Mr. B. Feir, Editor,
Haliburton County Echo,
Haliburton, Ontario.
Dear Mr. Feir:

Last week while on business at the Ontario Water Resources Commission, I inquired as to the status of the water and sewage plant for Haliburton. I was informed that a complete report will be submitted in the next month or two.

I am sure the local people of Haliburton will be pleased to hear this news, as is this summer resident.

Sincerely yours,
W. Wickes.
